A woman with dark hair pulled back is standing outdoors, smiling slightly. She is wearing a navy blue kurta with red accents at the collar, cuffs, and hem. The kurta features several embroidered patches in red, green, and white, including floral and geometric designs. She is also wearing red pants and silver sandals. The background shows a stone balustrade and a large white urn. In the top right corner, there is a logo for 'Survi Lifestyle' featuring a stylized lotus flower above the brand name.
