*...with the world. Every woman
wants every man to see her.
From the world, her name
is successful.*

BEAUTY AT THE BEST
VIHANA

She is India in looks, in
spirit, at heart, even in
soul. But her beauty is as big a
range abroad as it is at home. In
the mists of London, in the
waters of Venice, in the sands
of the Middle East, in the
hazy of Paris, her name is
remembered with fondness and with
glow.

*Many claim to understand
fashion, but only a few understand
it. And she settles for no-
thing but exult, class fabrics at
all times! No wonder then
that only the greatest masters
own the kingdom of style work
- making her looking breath-
ing. This is one such creation
from one such master.*
